Drop Off and Pick Up

All guardians are required to provide a CODE WORD at pick up. The code word will be chosen by the family before the beginning of their camp day/week/month and is not to be shared with anyone unless they are picking up a child from camp. This is a safety precaution we take very seriously.

Toileting and Clothing Change Policy

For the health, safety, and dignity of all gymnastics campers, Head Over Heels Gym maintains the following policy regarding toileting accidents:

If a child soils themselves during the camp day and requires a change of clothing due to a bowel movement, the child's parent or guardian will be contacted and required to pick the child up from camp for the remainder of the day.

Head Over Heels Gym staff are not permitted to assist with cleaning or changing a child after a toileting accident involving fecal matter. This policy is in place due to health and sanitation considerations, as well as staff training limitations.

Parents and guardians are expected to ensure that children enrolled in camp are fully toilet-trained and able to manage their own toileting needs independently for the duration of the camp day.

This policy applies to all campers unless specific accommodations have been formally arranged in advance with camp administration.
